NW10 2LL, London
Mobile number: 07414117575
Email: zsabori82@yahoo.com

Hard-working individual attaining experience in java programming and python. To achieve a highly required standards, I am a creative, quick learner and capable of working in different situations. I am a clear communicator while keeping strong work ethic which would be a fantastic addition to your team.

Kind, friendly and extremely motivated about learning and gaining new experience while working. Technology is a passion of mine besides creating a safe, friendly, and productive environment for everyone, is my top priority.

EXPERIENCE

- Healthcare (Jan 2019 - Current)

Hartwig Care Ltd. - Greater London, England

Supplying a high quality of care and supportive services to people, being reliable, discreet, friendly, and committed to the physical and emotional wellbeing and safety of the client is important.

- Teacher (Oct 2016 - Jan2020)

AL-Huda school - London

Providing support for student with learning difficulty in addition of teaching my own class. Also, I have been as a voluntary teacher assistant in "The School of the Islamic Republic of Iran" (based in London) to gain more experience.

- Administration assistance (2015- Jan 2019)

Noor Trust - Greater London, England

Administrator Assistant dealing with issues such as; updating computer records while using office equipment like printers, photocopiers, and fax machines. Covering reception duties, greeting, and looking after visitors. Dealing with incoming and outgoing post as well as emails and social media enquiries.

- Hairdresser

Salon Hijab, Honeypot Lane, Stanmore - London (Feb 2014 - May 2015)

- Salon manager

Smart cut - London (Feb 2010 - May 2014)

Managing salon finance, dealing with the customers, consultancy, and advice.
